U.S. Probation Officer Action:

The probation officer discussed and counseled the offender regarding his recent admitted use of marijuana. The offender expressed embarrassment over his decision, acknowledging that his use resulted from the stress of "always being home" due to the COVID-19 pandemic. The undersigned officer used the STARR Skill of Effective Use of Disapproval, a cognitive behavioral therapy tool that assisted the offender in recognizing the extrinsic and intrinsic consequences of his behavior, as well as recognize pro-social alternatives. At this time, we will continue to monitor the offender, increase urine testing, and we are not requesting Court intervention. Respectfully, we offer submission of this *Report on Offender Under Supervision* for informational purposes.

Respectfully submitted,

SUSAN M. SMALLEY, Chief
